

WHAT IS PTA? (Parent Teacher Association)

PTA is a group of parents, family members, teacher, and staff who want to help our school. We all have unique skills, ideas, energy levels, and discretionary time, and we work together to make good things happen throughout the year. We want the children to excel and to know success. We want to keep our school heading in the right direction. We want our teachers and staff to feel appreciated. We want to bridge the gap between the school's needs and the school's budget.

The purpose of the Ponderosa PTA is to support the education of students by fostering a cooperative relationship between parents, teachers, support staff, school administrators, and the surrounding community.

In addition, we strive to enhance and support the educational experience, develop a close connection between school, home and community by encouraging parental involvement, and improve the environment at Ponderosa Elementary through volunteer and financial support.

PTA Mission

PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

PTA Values

- **Collaboration:** We will work in partnership with a wide array of individuals and organizations to broaden and enhance our ability to serve and advocate for all children and families.
